

Survey Magnet Hits the 10,000 Pageview Milestone

By Survey Magnet

Dated: Jan 13, 2010

Survey Magnet continues to gain new visitors and page views on a daily basis.

Survey Magnet continues to impress, enlighten, and surpass KPIs daily. With the increasing number of daily unique viewers, Survey Magnet has topped the 10,000 page view mark while entering its 5th month of existence.

Not only are visitors just clicking our link, but they are spending approximately 4 minutes on the site per visit, and reading through an average of 2.85 pages per visit. We also proudly boast that 40% of our visits are new visitors.

Shouldn't you join the movement? Drop by and see what survey magnet is talking about.

###

Surveymagnet.com is your one stop shop of real-time interactive opinions on the internet. The site serves to eliminate the mystery around "polls" and "surveys" that are often quoted in TV and radio broadcasts.
