

Early Survey Magnet Success Points

By Survey Magnet

Dated: Sep 28, 2009

Survey Magnet, a 6 week old internet opinion hub, is already experiencing success in the blogging world.

In a world where hundreds of new blogs pop up daily, Survey Magnet is holding its own. The site is performing well with regards to several key metrics:

Average Time on Site: 122% to plan (3 minutes and 20 seconds on a plan on 3 minutes).

Page Views: 93% to plan (2724 page views against a plan of 2940).

Visits: 97% to plan (948 visits on a plan of 980).

In addition to those numbers Survey Magnet has already been mentioned on many websites.
